General Information

Foundation

Destiny Christian Academy is a ministry of Destiny Church, Cheyenne, Wyoming. The administration of the academy is submitted to the authority of the Pastor and the church board. It is the intent of the administration to keep the policies of the academy within the hedges of the church.

Statement

Destiny Christian Academy is established as a ministry of the body of Christ. Its primary purpose is to team with parents in training children in Godly character and excellent academics in a safe and loving atmosphere.

Statement of Faith

1. We believe in one God, maker of all things and being in the trinity of Father, Son, and Holy Spirit.
2. We believe the Son of God, Jesus Christ, became incarnate, was begotten by the Holy Spirit, born of the virgin Mary, and is true God and true man.
3. We believe the Bible, in its entirety, to be the inspired and infallible Word of God.
4. We believe in the resurrection of the dead, the eternal life with God of the saved, and the eternal punishment for the lost.
5. We believe in the personal salvation of believers by the grace of God through faith in Jesus Christ as Savior.
6. We believe in the sanctification by the Holy Spirit, in personal holiness of heart and life, and in separation from the world.
7. We believe in the baptism in the Holy Spirit (Acts 2:4) as distinct from the new birth, and in the gifts of the Spirit listed in scripture as now available to believers.
8. We believe in the Christian's hope – The imminent, personal return of the Lord Jesus Christ.

9. We believe that God created the human race male and female and that He has established marriage as a lifelong, exclusive relationship between one man and one woman (Gen. 1:27, Gen. 2:24-25).

Primary Objectives

1. To provide a high-quality, individualized education that supports a student's strengths and develops areas needing improvement; allowing the child to reach his or her full potential.
2. To provide an opportunity for a closer and deeper walk with the Lord Jesus Christ.
3. To encourage and develop basic Godly character traits in each child.
4. To encourage a strong relationship between children, parents, and the body of Christ.
5. To provide an opportunity for each child to thrive in their walk with the Lord Jesus both during and after attending DCA.
6. To equip each child to become an effective member of the body of Christ.

A Christian academy is an extension of the Christian home in training youth in a Christian environment. Attendance at this academy is a privilege and not a right. Along with maintaining high academic standards, our goals are to train youth of every ability in the highest principles of moral character, self-discipline, individual responsibility, personal integrity, and good citizenship. This academy stands without apology for high standards of morality and Christ-like behavior. We are unashamed to teach the Biblical doctrines of self-discipline, respect for those in authority, obedience to law, and love for God, flag, and country.

Standards of Conduct

Students are expected to act in an orderly and respectful manner, maintaining Biblical standards of social courtesy, moral behavior, acceptable language, and honesty. Destiny Christian Academy maintains a necessary 6-inch personal space rule.

Students are expected to refrain from talking about or engaging in cheating, swearing, and sexual activity. Students are also expected to refrain from illegal activities such as smoking, vaping, gambling, drinking alcoholic beverages, using narcotics, and communicating in a manner that is inappropriate (verbal, text, email, etc.). Students who participate in and/or discuss such activities at school are subject to suspension and/or expulsion. If such behavior occurs outside

our school and is brought to our attention, those students will be subject to suspension and/or expulsion. Students must agree to strive toward unquestionable character in dress, conduct, and attitude.

When a child's attitude and conduct are not in accord with school policies or principles, the child will be placed on probation and both parents will be called for a conference. If the administration feels the situation has not changed within a designated time, parents will be asked to withdraw the child.

Boy-Girl Relationships

We believe God's plan is for boys and girls to have activities and fellowship together, learning much about each other in general, always holding the other up in the highest respect, and functioning as sisters and brothers toward each other as members in the larger family of God. Boys and girls can trust God to bring them together with the one of His choice for a period of Christian courtship, while they continue to seek Him about their relationship. Therefore, we expect our students to be open to Godly instruction in this area and to conduct themselves in a manner pleasing to God. Practically applied, there is no public display of affection. This means students should maintain the academy's 6-inch rule, no hand holding, embracing, kissing, touching each other affectionately, during school, at any school activities, or on school premises.

2 Timothy 2:22 TPT Run as fast as you can from all the ambitions and lusts of youth; and chase after all that is pure. Whatever builds up your faith and deepens your love must become your holy pursuit. And live in peace with all those who worship our Lord Jesus with pure hearts.

1 Thessalonians 4:4-5 TPT Yes, each of you must guard your sexual purity with holiness and dignity, not yielding to lustful passions like those who don't know God.

Romans 13:14 TPT Instead, fully immerse yourselves into the Lord Jesus, the Anointed One, and don't waste even a moment's thought on your former identity to awaken its selfish desires.

Philippians 4:8 TPT So keep your thoughts continually fixed on all that is authentic and real, honorable and admirable, beautiful and respectful, pure and holy, merciful and kind. And fasten your thoughts on every glorious work of God, praising Him always.

Grounds for Dismissal

The school reserves the right to dismiss or deny re-admission to students for the reasons the administration deems fit, such as the following:

- Attitude incompatibility
- Uncooperative spirit
- Rebellion
- Sowing discord
- Chronic absence/tardiness
- Nonconformity to standards

- Lack of parental cooperation
- Inability to respond to individualized curriculum
- Failure to fulfill financial obligations
- Use or possession of items which are against the standards of DCA (i.e. weapons, narcotics, vapes, etc.)

Accreditation Statement

DCA is not regionally accredited. DCA is a ministry with sincerely held religious convictions against government control and oversight over the academic aspects of our institution. The State of Wyoming does not require DCA to obtain any state or regional accreditation in order to operate or grant diplomas. Each individual public-school district, college, and university establishes their own policies regarding admission requirements.

What this means is although state law does not require that a private Christian school student or graduate come from an accredited Christian school in order to be eligible for admission into a public school, college or university, those individual schools do have the authority to impose such a requirement.

While most of the schools gladly accept students from unaccredited Christian schools, some do not, requiring the student to undergo additional testing or retake core subject courses.

Because we have no control over the policies adopted by public high schools, colleges, and universities we cannot make any guarantee for graduates of DCA with regard to admission into college or transfer of our credits back into the public-school system.

We will tell you that “graduates from the A.C.E. program are attending more than 1,400 colleges and universities globally with *outstanding performance.*”

Parents are encouraged to personally check with their local school districts or colleges in which their children are interested, to find out what the school or college’s particular policies are regarding admissions or transferring credits.

DCA uses the Accelerated Christian Education curriculum. A.C.E.’s flagship school, Lighthouse Christian Academy, offers a dual-enrollment program through which students may earn an accredited diploma/transcript, while attending Destiny Christian Academy. Parents who are interested in finding out more about the accredited diplomas should contact Destiny Christian Academy’s office.

ANNUAL ASBESTOS NOTIFICATION

(Required by the Asbestos-Containing Materials in Schools Rule, 763.84(c) and 763.93(g)(4))

Asbestos is a naturally occurring fibrous mineral, which until about 1980, was commonly used in building construction. Asbestos will not burn, is an excellent insulator, has great tensile strength, is resistant to chemicals, is a nonconductor of electricity, and absorbs sound. Examples of *asbestos-containing building material (ACBM)* are vinyl floor tile, sprayed-on acoustical ceiling material, pipe and boiler insulation,

and roofing felt. As ACBM deteriorates over time, or is disturbed by maintenance, renovation, or demolition activities, it may become *friable*, i.e., it is capable of being reduced to powder by hand pressure.

When ACBM becomes *friable*, asbestos fibers are released into the air. Inhalation of these airborne, microscopic asbestos fibers has been proven to cause such fatal diseases as lung cancer, mesothelioma (cancer of the lining of the lung or abdominal cavity), and asbestosis (scarring of lung tissues). Uncontrolled asbestos contamination in buildings has been, and remains, a significant environmental and public health issue. In 1986, Congress enacted the *Asbestos Hazard Emergency Response Act (AHERA)* to require public and private, secondary and elementary schools to identify ACBM in their school buildings and take appropriate actions to control the release of asbestos fibers. In 1987, the US Environmental Protection Agency finalized a regulatory program, which enforces the AHERA mandate. These regulations are incorporated within the *Asbestos-Containing Materials in Schools Rule* (40 C.F.R. Part 763, Subpart E).

In compliance with the *Asbestos-Containing Materials in Schools Rule*, Destiny Christian Academy had its school building inspected by an asbestos inspector, accredited by the State of Wyoming. During that inspection, areas of suspect ACBM were identified. The type, condition, and location of this ACBM were noted. Samples confirmed the presence or absence of ACBM. Suspect ACBM not sampled and analyzed were assumed to contain asbestos. Confirmed and/or assumed ACBM currently remain in certain locations in our school building.

Upon confirmation of the presence of ACBM, an Asbestos Management Plan was developed for the school building of First Assembly Christian Academy by an asbestos management planner, accredited by the State of Wyoming. *The Asbestos Management Plan includes a description of the measures currently being taken to*

ensure that the ACBM remaining in our school building is maintained in a condition that will not pose a threat to the health of our students and employees. This Plan describes past response actions taken to abate ACBM, as well as response actions planned for the future. The Asbestos Management Plan provides information on the periodic monitoring of the condition of ACBM remaining in our school building through triennial re-inspections, conducted by accredited asbestos inspectors, and through semiannual surveillance, conducted by trained school or church staff.

A copy of the Asbestos Management Plan is available for your review in the Destiny Christian Academy administrative office during regular office hours. John Coffey is the designated Asbestos Program Coordinator for the School. Please direct all inquiries regarding the Asbestos Management Plan to him at the school office at 307-635-3759.

Enrollment Information

Enrollment Procedure

- 1. Obtain admission forms and information.**
- 2. First Visit.** Both parents and the student(s) are welcome to meet with a member of the administrative staff to acquaint the family with our personal application of the individualized curriculum and the special emphasis that makes Destiny Christian Academy's ministry so outstanding. We encourage questions so that the

family has a complete understanding of what we have to offer and what we require. A second visit may be requested for students in seventh grade and above.

3. Application. All application forms are acquired and then submitted. A list of all the forms required at the time of application submission is enclosed in the application packet. Kindergarten students must be five (5) years of age on or before the 15th day of September of the enrolling year.

4. Student Testing. There are two to three ½ day sessions of testing for students enrolling in grades 1-12. The results of the students' diagnostic testing can be crucial in helping both DCA and parents decide if this academy is a good fit for the student.

5. Decision on Enrollment. Please keep in mind that D.C.A. is choosing its families just like you are choosing a Christian school. This is important to maintain the quality that you are looking for in a Christian education ministry. Enrollment of your family will be made a matter of prayer and we will follow the Lord's leading. You will be notified of your child's acceptance to DCA as soon as possible.

6. Registration. All start-up fees need to be paid to the office at the time of enrollment. DCA and parents will discuss convenient payment arrangements at this time.

7. Parent Orientation. You will be notified of the mandatory Parent Orientation Meeting before the first day of school. This is a general meeting of all parents to acquaint families with each other and to review school policies, etc. If your child is enrolled after the first orientation meeting, you'll be required to attend the next scheduled orientation.

Withdrawal Procedure

1. Notification to Administration. DCA requires that parents give, in writing, 30 days notification that a student is being withdrawn. The parent is required to continue paying tuition fee until the 30 days has been met. Tuition will not be prorated if the student is withdrawn after the 1st of the month.

2. Unused PACEs. PACEs and all academic material are the property of the academy and any unused PACEs will not be given to the families. Curriculum fees are non-refundable.

3. Account Balances. All account balances must be paid in full and all curriculum resources borrowed must be returned to the academy for the release of records.

Weather Delays or Closures

Enclosed at the end of this handbook is the current school year calendar. For any weather delays or closures DCA will follow the lead of LCSD #1. However, in the event of additional delays or closures that LCSD #1 has not initiated, DCA staff will call parents immediately to notify.

Parental Participation and Attendance

1. A parent or guardian is expected to attend all of the extra-curricular functions in which his or her child participates.
2. By enrolling in D.C.A. parents are COMMITTING themselves to attend those functions that are essential to communication:
 - A) All parent meetings.
 - B) Scheduled Parent-Teacher conferences at the end of the 1st and 3rd quarters as necessary.
 - C) **Parents and students will be expected to participate in all fundraisers.** The academy plans

about 4 fundraisers per year. DCA will offer parents the opportunity to opt out of a fundraiser for a fee (per family) of \$400 for a service-based fundraiser yearly, \$100 for a sales-based fundraiser and yearly \$400.

Student Attendance Policies

1. Every student is expected to attend PUNCTUALLY and REGULARLY. If a student will be absent, the parent should place a CALL to the office by 10:00 am to inform the administration and supervisor of the absence. A student is considered absent when not in school for the entire day or arriving to school at 11:00 am or later.

2. No student will be permitted to leave the academy at any time before the regular hour of dismissal without written permission from their parents (this includes students who drive themselves to school).

3. Absences resulting from family vacations will be considered excused under the following conditions:
 - A. Office staff and class supervisor is informed **in writing** at least 1 week in advance.
 - B. Parents should make arrangements at least 2 DAYS prior to leaving, for academic work to be maintained by the student.
 - C. There are no conflicts with the attendance policy requirements.

Communication with School

Open and positive communication with teachers is your most valuable tool in supervising the progress of your students.

1. Do not wait until a situation demands communication. Prevent problems and misunderstandings! Good communication defuses situations before they become bigger than necessary, keeping situations from becoming explosive.
2. If possible, your first line of communication should be with the classroom supervisor.
3. Please understand that in some situations, it may be necessary to make an appointment.
PLEASE BE SENSITIVE.

Communication with Parents

1. **Weekly Reports:** a routine and systematic channel.

- A congratulation notice which lists the PACEs passed during the previous week.
- Additional comments from the teacher to the parents.

2. **Monthly E-Mailings:**

- Account balances.
- Scripture passage to be memorized for the coming month. (Please work with your child on this.)

- Monthly lunch menu.

3. Parent/Teacher Conferences

4. PACE Retake Notifications:

Teachers will notify parents of a failed PACE. They will be charged on the next billing cycle.

5. Any other communication from the Administrator or Supervisor

Attitude

And consider the example that Jesus, the Anointed One, has set before us. Let His mindset become your motivation.

Philippians 2:5 TPT

Complaining, Gripping, and Sullenness will not be tolerated. Making light of the rules, programs, and other students' shortcomings will be considered rebellion.

We expect students to not only keep rebellion and stubbornness out of their behavior, but to also show witness of a good attitude through courtesy, relations with other students and willingness to go above and beyond.

Parents are also to maintain a heart free from rebellion and murmuring. Occasional situations at school may arise where there are differences of opinion or misunderstandings. These are great learning times for your children as they

watch with intensity how parents handle these situations.

Lunches

At DCA, children have the option to purchase a hot lunch in the morning* or to bring their own lunch from home. Microwaves are available for student use. (Please nothing over

3 minutes) Each class has ample time in the lunchroom; please see your child's supervisor for your child's lunch time.

Any parent wishing to take their student to lunch off-campus, must come into the office and sign out their child. Upon returning, the student must be signed back in at the office.

*We love pre-payments, but you may also charge up to \$25.00 per family on your lunch account.

**The availability and frequency of our hot lunch program is dependent upon the availability of staff. A schedule and pricing will be available in the fall of each school year.

Discipline Philosophy

This is not a disciplinary facility; consequently, we ask that a child not be enrolled with the idea that he/she will be reformed. We are here to work with the home, but not to take the place of parents who have experienced difficulty with their child's behavior.

1. Destiny Christian Academy believes discipline in our lives is essential to learning, growing and applying God's principles. Proper DISCIPLINE is part of DISCIPLING.
2. All staff members have the right AND responsibility to hold students and staff members, that come under their authority, to proper behaviors and attitudes.
3. D.C.A. believes in administering discipline that brings correction to behavior rather than simply punishment. All discipline meted out should be done in love, not in anger.

"And the Lord's servant must not quarrel; instead, he must be kind to everyone, able to teach, not resentful. Those who oppose him he must gently instruct, in the hope that God will grant them repentance, leading them to a knowledge of the truth, and that they will come to their senses and escape from the trap of the devil, who has taken them captive to do his will."

2 Timothy 2:24-26

Discipline Implementation

Discipline measures should fit the offense and tend to bring about the desired, positive behavior. The classroom is a place where students relate to staff members and other students in a stable, peaceful

and yet active atmosphere. To achieve this type of atmosphere, the classroom operates on certain principles.

1. The classroom is a quiet, yet active place of learning.
2. Students are to be kind and considerate to others.
3. Students are to be obedient.
4. Academic success depends on using the system rather than beating the system.

Violations of these principles result in the student receiving demerits, which are warnings. If demerits accumulate, meaning repeated or several violations, the student is held accountable for his actions by corrective measures meted out.

Among these measures are detentions, loss of privileges or privilege status, or 1 to 3-day suspensions, depending upon the seriousness of the violation. If all discipline measures have been exhausted and the student has not shown the desired behavior change, an expulsion recommendation will be given to the board.

Possible violations can include the following:

1. Disturbance in class, talking to other students, making noises, playing with toys, wasting time.
2. Not doing an assigned task, acting in defiance, talking back, or being in an off-limits area.
3. Failure to comply with PACE procedures, not getting proper initials when necessary, not complying with room procedures.
4. Pushing, punching, yelling, arguing, talking badly about others or talking badly to others.

5. Not demonstrating good sportsmanship during P.E., recess, lunch break or any other activity that involves some level of competition.

When policies and procedures are in minor violations, the following steps are taken:

1. Talk with the student to show them the offense and what needs to be corrected.
2. Talk with the student and a phone call to the parents as to what was discussed.
3. Conference with the student, parents, and Administrator.
4. Conference with the student, parents, Administrator, and Board Member.

The goal with issuing demerits is to remind the students of what to do or not to do. However, when demerits accumulate, so do detentions. Our general rule is that when a student earns 3 detentions in one week, the result will be a 2-day suspension. If a student earns 2 suspensions in one month, the result could be expulsion from DCA.

School Search Policy

Searches for suspicion of illegal or unauthorized materials or content can be conducted at any time in the following areas: Student offices, student lockers; and when these items are on school property: backpacks, purses, pockets, and person.

Health Regulations, Medications, and Safety

✚ The State of Wyoming Health form is to be filled out, on or before the day your child starts school. A child must be properly immunized for enrollment in our academy. If you do not have a record of your child's immunization or an immunization waiver, you will be given a two-week grace period. After this time, your child will be asked to leave school until it is received.

✚ Daily medications will not be administered unless accompanied by a written request from a physician and signed by a parent. Medications must be in the original containers. **A student should never have medications in their possession.** All medications must be kept by the academy and administered by the staff as necessary.

Merit System

Our built-in motivational system includes both rewards for progress and penalties for lack thereof. Where demerits act as our accounting toward penalties, they are complimented by earning merits for positive actions. Merits may be turned in or spent for a variety of items including, merit store items or an excused day off from school.

1000's CLUBS

Another part of our merit system is the 1000's Club. A student achieves the 1000's club after earning ten 100% scores on their PACE tests. There are six different levels: 1000's, 2000's, 3000's, 4000's, 5000's, and 6000's. The following are the rewards the student will earn at each level:
